Letra da musica

(Verse 1 – Sidy Mitzvah)

Loko u vona vanu va tsaka, nawena tsama u tsaka navu
Unga wari hi mundzuku mungana wami ngoba aku fiki
I see everybody giving love just to anybody
You're just like nobody
Smile out just for anybody
Kassi uya kwini
Tsama la namina
Buya hita tlanga
Vuya... vona
Usiwana ni timaka takona
Awungeti heti wena
Ku karata ka vutomi lakona
Awunge ku koti wena

(Verse 2 – Slamz Da Goon)

This battle is hard for me to understand
Why a son of man is used as a contraband
His hands are not ripped like an earthquake
Dough up to make that birthday cake
It's God's Will which shows what we seek?
Its good deeds though we literally get to sin
Roses are cologne that en-route us to the gods
Moses divided the sea to journey with the gods
Happiness is what blankets us in a heart beat
Positiveness hazes our mind to heal the sick
We monsters... without support we will go blind
Let's use crayons not guns time is on our side
Paint a perfect picture a story to impart to kids
For knowledgehumanity let it be instilled
It was once written on earth let it be done
Let the kids playbe together as one

(Verse 3 – Chriis FonTana)

Kassi uya kwini

Tsama la namina

Buya hita tlanga

Vuya... vona

Kassi uya kwini

Tsama la namina

Buya hita tlanga

Vuya... vona

My people work hard but they feel happy all day

My people work hard but they feel happy all day

We don't have money

We don't have no car no no

We don't have no problem

We just live our life yeah

(Outro – Chriis FonTana, Shawty Gun Slay & Cíntia Fontana)

Kassi uya kwini

Tsama la namina

Buya hita tlanga

Vuya... vona

Vuya... vona

Yeah
